

Het Oppimp Atelier van stichting Cultuurgebaar

Turn your clothes into a work of art!

Middin, Zwedenburg 147, Den Haag

14 Sept - 21 okt 2022

Upcycling, workshops, exhibition

The Oppimp Atelier lands in Mariahoeve this fall. At the Oppimp Atelier you can pimp up your clothes under the guidance of artists from The Hague, without needing a sewing machine.

By sewing something that is precious to you on your clothes, stamping something on it, or by dyeing your clothes, you can make your T-shirt, trousers or skirt more personal and fun. Hopefully it will make you think twice before throwing it away. Together we can work on a more sustainable world!

Workshops

Local residents, young and old, can participate in one or more workshops, like working with folies, screen printing or creating an application or stamp to print on your clothes. Experience with these techniques is not necessary.

Please bring your own clothes. If necessary, there are clothing vouchers available. With these vouchers you can pick up clothes at the local secondhand shop and use these in the workshop.

The workshops are free of charge. Make reservations at: info@cultuurgebaar.nl or Carola 06 18424271. For the wednesday-workshop no reservation is necessary.

Exhibition

Come to *the Oppimp Atelier* and have a look at the exhibition of our participating artists. There are mini-exhibitions at different locations in the neighborhood.

Participating artists are: Marianne Aulman, Laura Snijders, Ilse Versluijs, De Naaierij en refunc.

The Oppimp Atelier is a initiative of Stichting Cultuurgebaar & Cultuurvlinder. This project is made available with support of Cultuurschakel, Gemeente Den Haag, Fonds1818, Postcode Loterij Buurtfonds and all participating organizations like Lichtpuntjes van Mariahoeve, KBC Haaglanden, Kringloopwinkel Den Haag, Middin and Podium Noord.
